The Wall Street Journal and WSJ. Magazine served as the Official Media Partner for Architizer's second annual A+ Awards.

The Wall Street Journal is America's largest newspaper by total average circulation with nearly 2.3 million subscribers and 36 million global digital visitors per month. Published by Dow Jones, The Wall Street Journal now spans 12 editions in nine languages, engaging readers across newspapers, websites, magazines, social media, and video. With a continued investment in lifestyle editorial, The Wall Street Journal has very quickly become a leading voice in the worlds of art, design, architecture, travel, fashion, and more.

Special thanks to The Wall Street Journal, WSJ. Magazine, Microsoft Surface, Autodesk, Cadillac, Perrier, and The Standard.
